## CERTIFICATE OF CORRECTION

### Business and Professional Corporations

A writing relating to a corporation filed by the commissioner under this chapter may be corrected if it contains an error apparent on the face or defect in the execution of the writing, including the deletion of a matter not permitted to be stated in the writing. A certificate, entitled "Certificate of Correction ... (correct title of writing and name of corporation)", shall be signed in the same manner as the original writing and shall be delivered to the commissioner. The certificate shall set out the name of the corporation, the date the writing to be corrected was filed by the commissioner, the provision in the writing corrected or eliminated, and, if the execution was defective, the proper execution. The filing of the certificate by the commissioner does not alter the effective time of the writing being corrected and does not affect any right or liability accrued or incurred before the filing. A corporate name may not be changed or corrected under this section.
